Section 7 - Network Scale Up Questions

The next series of questions are about people you know in Ethiopia. I want to remind you that your answers will be confidential. If we come to any question that you don't want to answer just let me know and I will skip to the next question.

GGR_700. This next set of questions will help us count the number of women who you interact with. These people should be: (a) individuals you know by sight AND name, and who also know you by sight and name. In other words, you should not consider famous people who you know about, but who do not know about you; and (b) individuals you have had some contact with - either in person, over the phone, or on the computer - in the past 12 months. These could be family members, friends, co-workers, neighbors or other people you have had contact with; and (c) individuals 15-49 of age who currently live in Ethiopia. Is this clear?	<input type="radio"/> Yes <input type="radio"/> No <input type="radio"/> Do not know <input type="radio"/> No response
