<p>Hello. My name. _____ I am here representing the Ministry of Health and the School of Public Health Kinshasa to learn more about health services in Kinshasa. Now I will read a statement explaining this investigation. Our team collects information on family planning in the Democratic Republic of Congo. We would like to ask you about the characteristics of your household, as well as activities related to family planning. Information about you may be used for activities and family planning services in the Democratic Republic of Congo. Data collected will be analyzed by researchers, but your name will be removed from all analyses, so that your information remains anonymous. You can refuse to answer questions you will be asked many times as you want, and decide to stop the survey at any time. Do you have questions about this survey?</p>
